

Supplement to Landfill Permit Application

Request for Location Demonstration Information Regarding Distance from the Nearest Intake Point of a Public Surface Water Supply System

Applicants seeking a solid waste disposal area permit from the Kansas Department of Health and Environment (KDHE) Bureau of Waste Management should use this form to document that the proposed facility meets the location restriction in Kansas Statutes Annotated (K.S.A.) 65-3407(l) with respect to intake points for public surface water supply systems.

K.S.A. 65-3407(l):

(1) No permit to construct or operate a solid waste disposal area shall be issued on or after the effective date of this act if such area is located within 1/2 mile of a navigable stream used for interstate commerce or within one mile of an intake point for any public surface water supply system.

(2) Any permit, issued before the effective date of this act, to construct or operate a solid waste disposal area is hereby declared void if such area is not yet in operation and is located within 1/2 mile of a navigable stream used for interstate commerce or within one mile of an intake point for any public surface water supply system.

(3) The provisions of this subsection shall not be construed to prohibit:

(A) Issuance of a permit for lateral expansion onto land contiguous to a permitted solid waste disposal area in operation on the effective date of this act;

(B) issuance of a permit for a solid waste disposal area for disposal of a solid waste byproduct produced on-site;

(C) renewal of an existing permit for a solid waste area in operation on the effective date of this act; or

(D) activities which are regulated under K.S.A. 65-163 through 65-165 or 65-171d, and amendments thereto.
